Dear **CS Awesome** Team,

I understand that David Petty is applying for **CS Awesome**, a professional development course at the Pathfinders Summer Institute 2020. As *Head of School* at *Brookline High School*, I confirm my support for his participation.

As part of that support:

- ▶ I will ensure that the *Advanced Placement Computer Science A* course (including **CS Awesome**) is placed in the 2020-2021 master school schedule.
- ▶ I confirm that David Petty has my approval to implement the **CS Awesome** curriculum in his *AP CS*

A class at *Brookline High School* during the 2020-2021 academic year.

- ▶ I will work with the *Brookline High School* staff to ensure that the demographics of the class reflect the demographics of the entire school population, including a gender balance of female and male students.
- ▶ I confirm that *Brookline High School* has internet access and the necessary technology infrastructure to allow the implementation of **CS Awesome**.

I am happy to respond to any questions about this letter of support.

Sincerely,

Anthony Meyer
Head of School
Brookline High School
